SUBJECT INDEX 1963

airsacculitis, in day-old poults 376
annual meeting, 5th, American Association of Avian Pathologists, addendum 237
annual meeting, 5th, American Association of Avian Pathologists, summary report 127
annual meeting, 1963, North Central Conference on Poultry Diseases, program 515
annual meeting, 1963, Northeastern Conference on Avian Diseases, program 507
annual meeting, 12th, Western Poultry Disease Conference, program 131
Ascaridia columbae, in pigeons, histopathologic study of liver lesions 206
bacterium, Herellea-like, characteristics 331
biologics services, poultry, at National Animal Disease Laboratory 125
Branta canadensis, multicentric neurofibrosarcoma in 196
Cairina moschata, *Salmonella pullorum* in 169
Candida albicans, in chickens and turkeys, nystatin compared with copper sulfate to control 304
capons, *Clostridium perfringens* in 342
CELO virus, stability to various agents, and electron microscope study 38
chlortetracycline, development of resistance to by *Salmonella gallinarum* 457
chronic respiratory disease, dipping eggs in erythromycin to control 287
Clostridium perfringens, in capons 342
coccidiosis, vaccine, immunogenicity of in conjunction with Trithiadol and Zoalene 12
Crotalaria spectabilis, toxicity studies in turkeys 318
disease prevention, treating hatching eggs for 89
duck *(Cairina moschata)*, *Salmonella pullorum* in 169
duck, white Pekin, incidence of duck virus hepatitis in ducklings 411
duck, white Pekin, subacute and chronic liver disease of 217, 344
encephalomyelitis, outbreak in White Leghorn incrosses, genetic influence on cataract formation following 495
encephalomyelitis, vaccine development, regulatory activities in 123
erythroblastosis, induced by leukosis strain RPL12 79
erythromycin, as egg dip to control chronic respiratory disease 287
fowl cholera, biochemic study 386, 393
fowl cholera, protection of turkeys vaccinated with bacterins of 165
furazolidone, *Salmonella gallinarum* isolate resistant to 294
gastrocnemius tendon, rupture in chickens 451
goose, Canada, multicentric neurofibrosarcoma in 196
Haemophilus gallinarum, formalinized bacterins 239
hepatic inclusion bodies of unknown significance 446
Hjarre's disease, evidence of genetic susceptibility to 1
8-hydroxyquinoline, antifungal and antimycotoxic activity of 56
infectious bronchitis, interference with Newcastle disease virus 106
infectious bronchitis, serology of Beaudette and Massachusetts strains 325
infectious bronchitis, simplified technique for serum-neutralization test 203
infectious laryngotracheitis, cultivation of virus in embryonated chicken eggs 31
infectious laryngotracheitis, immunity from conjunctival vaccination 184
infectious synovitis, preparation of an agglutination test antigen 310
International Symposium on Newcastle Disease Virus as an Evolving Pathogen, program 236
leucocyte counts, in hens, poultry husbandry and other effects on 149
Leucocytozoon caulleryi, gametogony in chickens, new interpretation of 361

leukosis, development of chicken flock free of 154
leukosis, lesions of, separation from non-leukotic lesions in turkeys 19
leukosis, skin, pathology in *Gallus gallus* 402
leukosis, strain RPL12, erythroblastosis and osteopetrosis induced by 79
limy-bird disease in *Puffinus tenuirostris* 67
lymphomatosis, airborne transmission 102
lymphomatosis, incidence and manifestations in experimentally infected chickens 97
meningo-encephalitis, from an ornithosis agent 480
methyl 18-epireserpate methyl ether hydrochloride, as tranquilizer for broilers and replacement pullets 50
moniliasis, in chickens and turkeys, nystatin compared with copper sulfate to control 304
multicentric neurofibrosarcoma, in a Canada goose 196
mutton-bird, Tasmanian, "limy-bird disease" in 67
Mycoplasma, of avian origin, serological studies of 272
Mycoplasma gallisepticum, dipping eggs to control 178
Mycoplasma gallisepticum, strains in Argentina 369
mycotoxicoses, 8-hydroxyquinoline against 56
National Animal Disease Laboratory, poultry biologics services at 125
Newcastle disease, B1 strain, respiratory tract pathology 417
Newcastle disease, chicken embryo refractivity to 257
Newcastle disease, egg yolk for passive immunizations of chickens against 5
Newcastle disease, immunity to in vaccinated chickens 135
Newcastle disease, immunogenicity of inactivated virus 435
Newcastle disease, tests for with whole-blood samples 193
North Central Conference, report of Committee on Nomenclature and Reporting of Disease 516
Northeastern Conference, report of Committee on Nomenclature and Reporting of Disease 509
nystatin, compared with copper sulfate in control of *Candida albicans* in chickens and turkeys 304
ornithosis, complement fixation tests for, characteristics of bacterium used in 331
osteopetrosis induced by leukosis strain RPL12 79
partridge, Chukar, *Salmonella* infection in 501
Pasteurella multocida, avian strains, biochemic study 386, 393
pigeon, *Ascaridia columbae* in, histopathologic study of liver lesions 206
Puffinus tenuirostris, "limy-bird disease" in 67
Rous sarcoma, biological agent associated with resistance to..... 345
Salmonella, in Chukar partridges 501
Salmonella gallinarum, development of resistance to chlortetracycline, sulfaethoxypyridazine, sulfaquinoxaline 457
Salmonella gallinarum, isolate resistant to furazolidone 294
Salmonella pullorum, in a Muscovy duck 168
Salmonella pullorum, tests for with whole-blood samples 193
Salmonella typhimurium, detection in poultry feed and animal by-products 423
Sarcocystis, rileyi, in birds, with new waterfowl host records 212
SU-9064, as tranquilizer for broilers and replacement pullets 50
sulfaethoxypyridazine, development of resistance to by *Salmonella gallinarum* 457
sulfaquinoxaline, development of resistance to by *Salmonella gallinarum* 457
Terramycin, potentiation of 467
Trithiadol, and Zoalene in conjunction with coccidiosis vaccine 12
viruses, poultry, lyophilized, inactivation rates 170
waterfowl, new host records for *Sarcocystis rileyi* in 212
Zoalene, toxicity in broiler chickens 471
Zoalene and Trithiadol, in conjunction with coccidiosis vaccine..... 12
